

Security Awareness – STCW A-VI/6-1

What the course covers

Cruise ship security is handled by a team of professionals with differing levels of responsibility. Seafarers of all ranks are required to have a general understanding of ship security regardless of whether they have designated security duties or not.

This course will provide you with a general understanding to contribute to the enhancement of maritime security through heightened awareness, recognise security threats and understand the need for and methods of maintaining security awareness and vigilance.

Duration of course	1 day
Learning requirements	Knowledge of English (speak, read & write)
Learning objectives	To achieve competencies as described in the STCW and SAMSA codes respectively.
Assessment	Multiple choice assessment
Accreditation/Certificate	SAMSA accredited certificate issued by SAMTRA
Validity	Not applicable – no expiry date
STCW Code	Complies with the training requirements specified in the STCW Convention, Table A-VI/6-1 and the SAMSA Code GOP-530.23
